Subject: PJSTCA Letter about Proposed St. Gerard Majella Church revision,
Terryville Rd., PJS, NY

The Port Jefferson Station Terryville Civic Assoc. Executive council has received the site & elevation drawings of a proposed Revision to the St. Gerard Majella Church on Terryville Road, Baylis in PJS. The project was presented to the civic members at the PJSTCA last year and discussed. This request was to add 3 additional windows to the design. The executive council reviewed the plans and elevations and approved this letter to be sent to the owner and town via email discussion. This Civic Association as a practice does not Reject or Accept proposals, but the PJSTCA executive council has voted that it has No Objections to this proposal.

The Civic Association would like to work with the owners on items that would improve this community such as the Terryville Rd. Community park area across the street from the Church. We would appreciate being kept in the loop as the Architectural/Site drawings are approved for this addition of natural light in the church. We look forward again to working with your group in our Port Jefferson Station Terryville Hamlet.

Respectfully,

Sal Pitti, PJSTCA President (boyleroadcommunity@gmail.com)

Charles McAteer, PJSTCA Corr. Secy. (cfmcateer@gmail.com)
